I, John Buckman, CTO of Decent Espresso International Limited (a Hong Kong Company) and CEO of Decent Espresso Ltd (a Delaware, USA company) do here confirm:

- I am the author of the de1app <https://github.com/decentespresso/de1app/>
- I give permission to the authors of the Decenza app to use screen saver images from our app, espresso machine profiles, and any and all source code and intellectual property contained on our github repository, provided that Decenza is licensed under a GPL or LGPL license. As I have confirmed that Decenza is so licensed <https://github.com/Kulitorum/Decenza> this permission is hereby given.
- I give permission to the Decenza app to act as a 3<sup>rd</sup> party control app to our DE1, Bengle and other espresso machines.
- I give permission to the app to make public statements that it is an approved 3<sup>rd</sup> party application for controlling Decent Espresso machines.

John Buckman

Decent Espresso, its CTO.
